

**THE
NO PROBLEM
SWITCH**

**BritzyTM
SWITCHES**

10 FEATURES THAT MAKE BRITZY

THE NO PROBLEM SWITCH

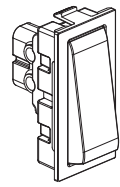

THE

NO

PROBLEM

SWITCH

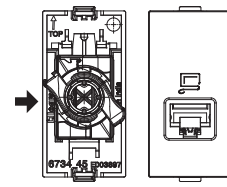

1

Switches that'll never get stuck in normal operation

Britzy switches are built to last over 1,00,000 operations. That's more than the ISI standard of 40,000. They don't get stuck either, so there's no wear and tear.

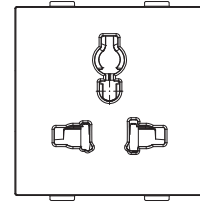

2

Quick and easy wiring

The RJ45 comes with built-in crimping facility which helps in quick connection of wires with the product. A simple feature that saves time and effort.

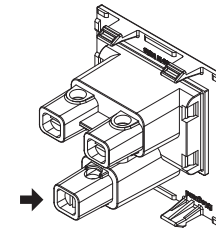

3

One socket fits all

The user-friendly multi-strand sockets accommodate all your gadgets — from mobile chargers to laptop chargers, Britzy fits all.

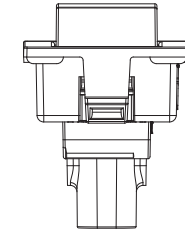

4

Protection from shock

All terminals and screws on switches and sockets are fully shrouded, ensuring no accidental contact and protection from shock.

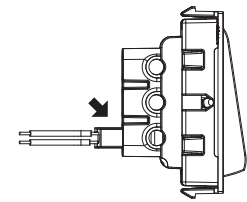

5

Easy to install

The flexible clip-on mechanism enables easy installation or uninstallation on the plate frame. We've made it as simple as possible.

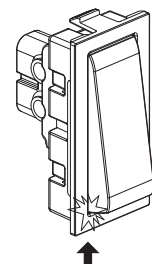

6

A smart way to save power

Switches with LED indicators that last long and consume much less power. It's a small but smart way to save power.

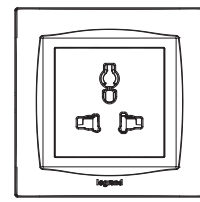

7

No sparks, no stress

The switches and sockets are thoughtfully crafted using high grade materials for spark-free operation.

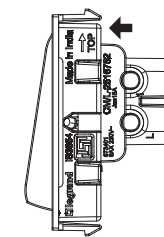

8

Sturdy frames for strong hold

The strong and sturdy frames of a Britzy switchboard won't allow the sockets to fall off the plugs. It's quality you can always rely on.

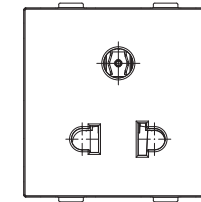

9

Easy-to-follow instructions

Mounting indications make sure you fix the switches and accessories the right way. There's no room for error.

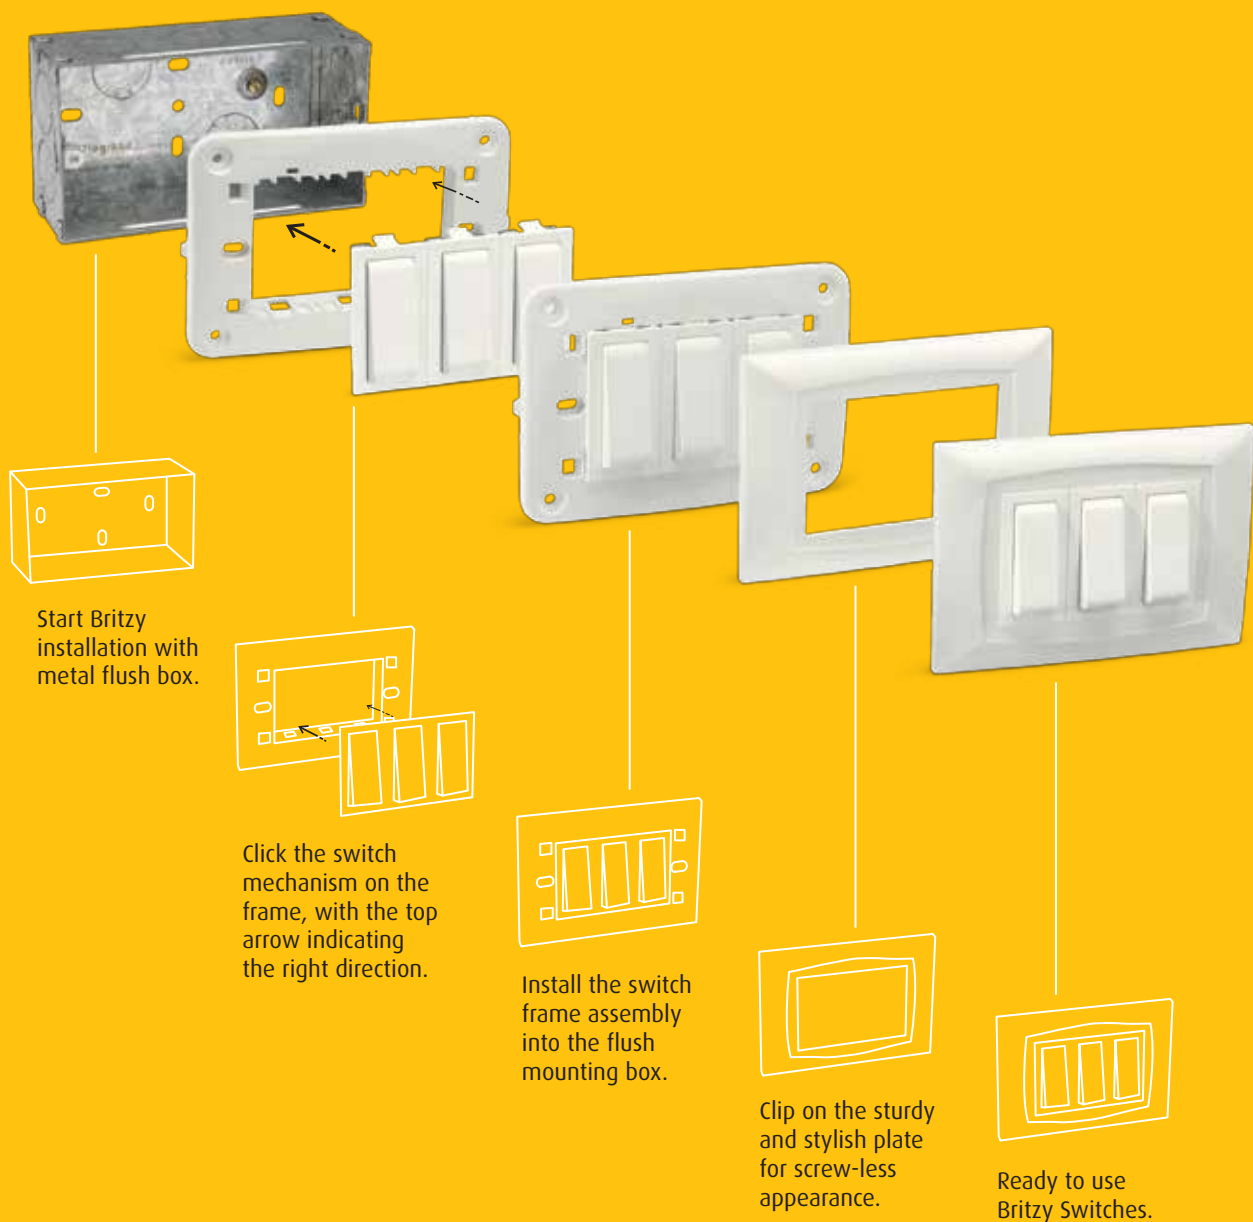

10

Child-proof shutters

Britzy sockets are equipped with safety shutters that ensure your child's safety. Now there's one less reason to worry.

SMART TO INSTALL MECHANISM

RANGE

Britzy offers a complete and customizable range of products. With switches and sockets, blank plates, data and voice connectors, electronic functions like fan regulators and buzzers, hotel functions and more, the range can easily be adapted to any kind of interiors. Perfect for your office, store and home.

⚠ SAFETY INSTRUCTIONS

GB IE

This product should be installed in line with installation rules, preferably by a qualified electrician. Incorrect installation and use can lead to risk of electric shock or fire.

Before carrying out the installation, read the instructions and take account of the product's specific mounting location.

Do not open up, dismantle, alter or modify the device except where specifically required to do so by the instructions. All Legrand products must be opened and repaired exclusively by personnel trained and approved by Legrand.

Any unauthorised opening or repair completely cancels all liabilities and the rights to replacement and guarantees.

Use only Legrand brand accessories.

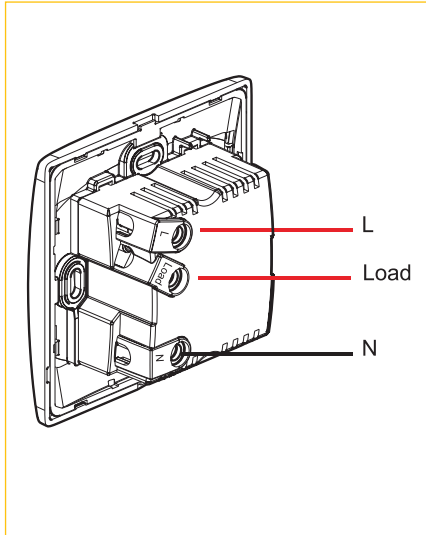

Britzy™ SWITCHES

THE NO PROBLEM STORY

There is a reason why Britzy is the No Problem Switch. Imagine no more confusion at the switchboard thanks to crystal clear laser markings indicating the functions. Imagine never having to worry about the safety of your kids around sockets. Most importantly, imagine performance that lasts for over 1,00,000 clicks and looks great on your wall. Britzy thought about all the little things you didn't think about so you wouldn't need to fret about them later on, especially when using the wiring accessories.

A lot of attention goes into every switch we make to ensure safety and comfort. These small conveniences make Britzy a great switch with the safety and quality standards you expect from Legrand. As a world leader in wiring accessories with 70 years of experience and a market presence across 180 countries, Legrand leverages its knowledge, experience and best practices from across the globe to offer products that create an enhanced user experience. With Britzy, we bring you the ideal combination of design, performance, simplicity and class.
